Dear Parents,

TATC is excited to introduce our new incentive program. Refer a family, and if they sign up for full time care, you receive ½ off of one week's tuition. See management for details. Refer the most families between October and November 30th and win a 100.00 gift card to Toys R Us... Just in time for Christmas.

Our New Class Pet

Tots Around The Clock has won a grant through the PETCO Corporation to receive a class pet. The staff decided on a guinea pig. We would like all of the kids to help in picking out our pet and its accessories.

TATC is making it a fieldtrip. On Saturday October 6th at 10am, we would like you and your student to join us at Petco, 4540 Princess Anne Rd. #128 vb, 23462.

We hope to see you there!!!

We are getting a class pet!!!!

Help Us Promote Literacy

Dear Parents, TATC is committed to promoting literacy in our young children. In addition to daily reading at school we would like you to read to your child for 20minutes each night. Reading to your child can be one of the most rewarding activities both personally and intellectually that you share together. There are many benefits to reading together. Benefits include emotional closeness, vocabulary development, language cognition, voice recognition, image recognition and increased imagination. Please use your reading log to record your nightly reading. We are sending book orders home from Scholastic every month this is a wonderful way to build your home library and to help TATC earn points to buy books.

Student of the Month

Please take this time to help us recognize Noah Gomez and Ne'vaeh Garcia for their outstanding achievements. Noah has demonstrated growth in following directions, being a good listener and being a good friend. Ne'Vaeh is a big helper and a wonderful role model to her peers.
